## A THOUSAND MILES JOURNEY BEGINS WITH ONE STEP

### *Preface*

Amar Nath Inter College is an Educational Institute. We are blend of Indian and modern education system. Our focus on overall development of student which means physical, mental & spiritual development. We believe neither school nor home alone can take care of student, so we request parents to ensure same environment at home which he/she gets in school which is necessary for the development of student. Immigration of talent is a major concern of our country, so keeping this in mind we have tried to develop an education system which fills student with positive thinking nationalism & patriotism. **Vandana & Vandemataram** are sources of perfect energy which enables student to work hard tirelessly.

**“Education is the key to the success in life and teachers make a lasting impact in the lives of their students”.**

## *Manager's Message*

### ***To Parents,***

Values are our wealth. Without values our society's children will be squandered. They can uplift our community and country only if they are virtuous. We toil to increase monetary wealth but do we endeavor to save this cultural wealth. We have forgotten it in our mad rush after materialism. It is not important how long we live but how we live "A little righteousness goes a longway."

Every child has potential if it is realized with appropriate guidance and development. Impressions imprinted from childhood last a lifetime good or bad. So parents be aware, don't become money oriented. Money cannot buy good children. Craft your child into a good citizen, and it would not be long before our nation is hoisted higher and higher. After all we earn for our children. Don't we? But if they turn out to be vicious instead of virtuous-your money will be of no use, our children are our true treasures-Safe guard them, teach them our language, our traditions-our customs, our history. Time invested in your children will be worth it.....

## Principal's Message

### Principal's Vision :

We are to prepare such students as have illumination on their faces, potential in their body, strong and unshakable will power, widely learned mind, self dependence in their lives and mind motivated with historical and glorious biographies of great souls as Shiva, Pratap, Dhruva, Prahlad, Swami Vivekanand and Dr. A.P.J. Abdul Kalam whose memories will keep on to vibrate their mind and to unfold their best. They will seek inspiration to attain their goal from the ideal quote of swami vivekanand “उतिष्ठ जाग्रत प्राप्यवरान्निबोधत” which will encourage them to spread their arms towards perfection without feeling anykind of tiredness. It will instill in them patriotic and nationalistic feelings which will make them excellent enough to recognize ethical and national values.

## शिक्षा

हमें तो ऐसी शिक्षा चाहिए; जिससे चरित्र बने, मानसिक चिंतन बड़े, बुद्धि का विकास हो और जिससे मनुष्य अपने पैरों पर खड़ा हो सके। हमें आवश्यकता इस बात की है, कि हम विदेशी प्रभाव से स्वतंत्र रहकर, अपने निजी ज्ञान भंडार की विभिन्न शाखाओं और उसके साथ ही विदेशी भाषाओं और पाश्चात्य विज्ञान का अध्ययन करें। हमें यांत्रिक और ऐसी सभी शिक्षाओं की आवश्यकता है जिनसे उद्योग-धंधों की वृद्धि और विकास हो। मनुष्य नौकरी के लिए मारा-मारा फिरने के बदले आवश्यकताओं की पूर्ति के लिए पर्याप्त कमाई कर सके और आपत्ति काल के लिए संचय भी कर सके।

– स्वामी विवेकानन्द

वास्तव में शिक्षा मूलतः ज्ञान के प्रसार का एक माध्यम है, चिंतन के प्रसार का एक तरीका है, एक पीढ़ी से दूसरी पीढ़ी तक जीवन के सही मूल्यों को पहुँचाना तथा भावी पीढ़ी को आने वाली चुनौतियों का सामना करने के लिए तैयार करना है।

– श्री गुरु जी

संस्कृति, ज्ञान एवं चरित्र के संगम से शिक्षा तीर्थराज प्रयाग बनती है।
